

MomsFirst 2023 Annual Report

Division of Health Equity and Social Justice

MomsFirst supports new and expecting mothers, fathers, and babies. Participants are paired with a Community Health Worker (CHW) from pregnancy up until babies are 18 months old. MomsFirst includes home visits, health education, and referrals to other resources as needed.

Highlights

- Contract with new agency service provider, West Side Community House.
- Distributed 35 blood pressure cuffs as part of a pilot program.
- Right-sized CHW salaries to improve retention and ensure living wages.

2023 By the Numbers

677 participants served, including moms and dads

4,523 face-to-face participant visits that resulted in a service

214 babies born in MomsFirst

9.3 Infant Mortality Rate among MomsFirst participants (*Preliminary*)
